PSALM 119 by MATT CHANDLER *-in the Classroom*
Even the most mature believers face dark nights of the soul. During those times God seems distant, his Word feels dry, and the vibrant intimacy we knew before seems absent leaving us wondering, "Where is the Lord in this?" In Psalm 119, Matt Chandler aims to introduce viewers to the words of King David who experienced similar seasons of life. Serving as the anchor for the study, Psalm 119 demonstrates the power of God's Word in the lives of believers and its ability to provide a warm blanket for the soul.

WHAT WE BELIEVE by BOB RUSSELL *-in the Cafe*
Can you explain the beliefs of the New Testament Church to all Christians and, even more importantly, those hearing the Gospels for the first time? Do you know why we do what we do here at St. Joe Church of Christ? Bob Russell's simple, down-to-earth style is not only enlightening and educational, but also easy to understand. This lesson series on the basic beliefs of the Christian Church will give you insight into the biblical practices of "church".

St. Joe Church of Christ is here to **Connect** people with God and each other, to provide an atmosphere where we can **Grow** our faith in God, and to **Serve** one another in the name of Christ.
