# Teen serve 2020

*Dear friends and family,*

*I have been blessed with the opportunity this summer to join youth from different churches throughout the Midwest for a mission trip to Plainwell, Michigan. We are working with Teen Serve in their efforts to help communities in need and introduce them to the love of Christ. On our trip we will be serving the community by painting houses and building wheel chair ramps for families in need. We will also provide hope and the message of the gospel to those that we are serving. I am excited to see what God is going to do this summer and excited to see how He is going to use me to bring joy and advance his kingdom. I do, however, need help. I need help in two ways. First, because we are doing these services for the families at no cost to them, we need to raise the funds ourselves. The cost of this trip is \$425. I'm calling on the help of my friends and family to join with me in taking care of these families in need. By supporting me you will be joining me and taking part in this mission. Second, this trip won't reach its full potential unless it has been covered in prayer. Please pray for the families that we are ministering to, the youth on this trip, and the ones that are hosting us and leading us on this trip. Pray that God's will be done. I hope you join me in this awesome opportunity, I know that you will also be blessed.*

*Thank you and God bless you,*

*For any checks being sent please make them out to St. Joe Church of Christ and in the memo write the letters TS followed by my name.*
