

Little Joes Preschool

February already!!

The time is flying by, it is time for hearts and valentines. We are looking forward to the Valentine party and will be making some special Valentine Crafts. We will be observing

Ground hog's day and even making a few predictions of our own. We

have some fun and exciting things planned for this month, as we continue with our alphabet and our alphabet books. Letter sounds, rhyming, print awareness, left to right progression, are some of our literacy skills.

We are beginning to master our number line, left to right progression, and number concepts. We have begun individual math centers, this will reinforce our recognition as well. We will continue pattern practice, and many other pre math skills.

Miss Arielle will be returning to Little Joes March 4. We are so excited for her to be back with us.

Kids may bring in their own decorated valentines box for the party. Please make sure the box is at least a large Kleenex box size or bigger. Please have their names on the box. Boxes and/or valentines can be brought in Feb. 12th-16th.

i AM IN PRESCHOOL

I am not built to sit still,
keep my hands to myself,
take turns,
be patient,
stand in line,
OR keep quiet
all of the time.

I need
motion,
novelty,
adventure,
and to

engage the world with my whole body.

LET ME PLAY.

(Trust me, I'm learning!)
