

Little Joes Preschool

MARCH 2024

February has flown right by, we are super excited for this month full of shamrocks and leprechauns (and spring break). We will continue to work on our alphabet books (any pages not complete, we will send home for them to work on during the summer). We are beginning to master our math centers, and have begun numbers 1-20, 10 frames, subitizing, and much more.

As always, we continue to practice cooperation, conflict management, taking turns, respect for others ideas, patience, and many other social skills essential for kindergarten.

Parent Teacher Conferences

When evaluations are complete (late April, early May). We will be doing open conferences. You may call and schedule a time to meet at your convenience once we notify you our final evaluations are complete. Our doors are open from 12:30 to 2:30 daily. If those times won't work for you please call for arrangements. If you are on the fence about sending your child to kindergarten and wish to speak to me before registration, please contact me.

Round two of evaluations will begin soon. Please understand we will be expecting more from each child at this time of year, therefore, our evaluations will be a bit more rigorous. Please keep this in mind if numbers on their eval forms appear to have gone down. We do "test" each child in the MWF class to evaluate where they stand academically in preparation for kindergarten.
