

April & May 2024

Summer is creeping up fast. It has been an exciting year of growth for our "Little Joes" and my prayer is that your experience here has been a positive one. You and your children have been a beautiful blessing.

I would like to get all the important dates to you so I am including the month of May in this newsletter.

We will be wrapping up our alphabet and our alphabet book project (if your child missed a letter, we will send home each letter page and some cut-outs to enable your child to complete it at home over the summer.) We will still be practicing number recognition through 20, printing practice, letter and number formation, sounds, concepts, phonetic awareness, vowels and consonants, syllables etc.

Due to the changes that have taken place for the remainder of the school year, we will not be taking our library field trip in April. Instead, weather permitting we will enjoy a picnic party here at school on April 18th/19th

Picnic Party

April 18th/19th weather permitting, we will have a picnic party outside during our school day. Please pack a sack lunch/ snack (whatever you would like your child to have), we can put it in the fridge when they arrive. We will enjoy a picnic outside together and have an extended play-time.

Parent Teacher Conferences

I will notify you when evaluations are complete, at that time you may schedule an appointment at your convenience. Conferences are not mandatory. If you are unable to meet please let me know and I will send home your child's evaluations. Our doors will be open from 12:45 to 2:00 daily for conferences. We will do our best to work around your schedule if those times don't work for you. Phone conferences are also available. If we have not heard from you during the designated conference weeks all evaluations will be sent home for your records.

Our evaluations will not be complete before kindergarten registration. If you are undecided about sending your child, go ahead and register them. If, after their evaluation, you feel they are not ready their registration can be withdrawn. ***** Kindergarten teachers may ask your child their address and phone number. You may want to work on it at home. I find singing it to be a huge help in memorizing.**

TIME TO REGISTER FOR 2024/2025
